

Step Retreats to Go

Dear S.L.A.A. Member,

The South Florida Intergroup is willing to sponsor, facilitate, or support a twelve-step retreat in your area.

We have refined these events over several years and can provide this important service to any group or intergroup in the Continental United States without charge.

Your group or intergroup can decide what level of involvement it wants from the S.F.I., ranging from simple encouragement to complete sponsorship of the event.

Sincerely,

G., A Pioneer of Step Retreats to Go
